TUESDAY, JUNE 4, 1940  
AT TEN O'CLOCK A.M.**

---

**Wherever Shorthorn cattle are known  
the name MAXWALTON commands the  
highest possible respect in a pedigree—**

Please bring this catalog with you to the sale

### **GUARANTEE—**

All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but at their risk of loss or injury.

### **TERMS—**

The terms of the sale are cash.

### **HEALTH—**

The Maxwalton Herd is Federally Accredited for tuberculosis (certificate number 237900) and every animal has passed the blood test for Bangs Disease within thirty days of the date of the sale. A 60 day tuberculin retest is allowed and all cattle are guaranteed to comply with the health regulations of any state into which they may go.

## THE STRONGEST MAXWALTON SALE OFFERING

Wherever Shorthorn cattle are known, the name "Maxwalton" means quality. Every breeder, from the largest down to the smallest, recognizes the prestige in this name because they know that for a third of a century superior individuality has gone along with each animal bearing it. Now comes the invitation to you who are reading this catalog to join in the appraisal of the 1940 sale offering. All that should be necessary to create a desire in YOU to own some of the animals that are to be offered is the plain statement that these 35 beautiful individuals are sure to add further prestige to the name "Maxwalton."

Those who are anxious to add pedigree strength to their herds will take particular delight in a study of this catalog because it is filled with what rightly may be termed "perfect bloodlines." And, if these same men obey the impulse to attend the sale, they will find that the type, quality and conformation of each animal is exactly what should be expected from such rich ancestry. My frequent visits to Maxwalton Farms cover a period of twenty years and, in my opinion, the 1940 offering contains the best animals that have been produced in this noted herd during that period. Perhaps the strongest recommendation I can give this group of 35 beautiful sale animals is the assertion that if I were establishing a herd for myself, I would buy as many of the members of this offering as my funds would allow.—Hal Longley of The Shorthorn World.

*Manager Wallace  
V. Campbell*

## ANNOUNCEMENT

With much pleasure we invite all those who are interested in Shorthorn cattle to attend our Annual Auction Sale which will be held this year in the International Stock Show Pavilion at Chicago on June 4th. Our decision to hold this year's sale in Chicago was prompted by our desire to make the sales that are to be held during "National Shorthorn Week" as convenient as possible for buyers from a distance. Our offering consists of a select group of bulls, nearly every one of them a promising candidate for top honors at this season's shows. The females are richly bred and we believe them to be the kind upon which successful herds may be founded. This is our first public offering of the get of Browndale Cumberland and Browndale Conqueror and we are confident that those who attend the sale will agree with us that these are the two greatest sires ever used at Maxwalton Farms.

We do not wish to praise our own cattle beyond their real merit. At considerable work and expense this catalog has been made most complete and informative. No statements have been made that are overdrawn. We believe this to be the strongest sale offering in the history of Maxwalton. We cordially invite you to be with us on the day of our sale.—**Maxwalton Farms**

E. R. Hartman — Wallace Campbell

From left to right: Maxwalton Onward (Lot 9), Maxwalton Advance (Lot 2) and Maxwalton Nonsuch (Lot 1). Note that these bulls are not photographed in straw.

**Maxwalton bred bulls have straight, sturdy legs  
and strong quarters**

From left to right with no straw needed to emphasize shortness of legs: Maxwalton Guardian (Lot 8), Maxwalton Escort 2d (Lot 3), and Maxwalton Alert (not selling).

**Maxwalton bred bulls have short legs, smooth rumps  
and well sprung ribs.**

## GENERAL INFORMATION

The 1940 Maxwalton Auction Sale will be held in the International Stock Show Pavilion at the Union Stock Yards in Chicago, Illinois.

The sale will be held at 10:00 A. M. on Tuesday, June 4, 1940.

Those who attend the Edellyn Sale on the day previous will find it convenient to spend the night at the **Stock Yards Inn** which is located within 100 yards of the sale pavilion.

We suggest that you inspect the Maxwalton sale offering on Sunday and spend Sunday night at the Stock Yards Inn. Then attend the Edellyn Sale on Monday, June 3d and return that evening to the Stock Yards Inn.

The auctioneers will be A. W. Thompson and J. E. Halsey.

Those unable to be present and who desire to do so may send buying orders to any of the following reliable men, all of whom will be in attendance:

Hal Longley, The Shorthorn World, Aurora, Ill.

Will Johnson, The Shorthorn World, Aurora, Ill.

Clinton K. Tomson, The Shorthorn World, Aurora, Ill.

J. F. Richards, The Drovers Journal, Chicago, Ill.

H. J. Gramlich, American Shorthorn Breeders' Ass'n, Chicago, Ill.

## NATIONAL SHORTHORN WEEK

June 3—1:00 P. M.—Edellyn Farms Sale, Wilson, Ill.

June 4—10:00 A. M.—Maxwalton Farms Sale, Union Stock Yards, Chicago, Ill.

June 4—1:00 P. M.—Allendale-Marellbar-Anoka Sale, Union Stock Yards,  
Chicago, Ill.

June 5—1:00 P. M.—Conner Prairie-Whitcroft Sale at Conner Prairie Farms,  
Noblesville, Ind.

June 6—1:00 P. M.—Wm. A. Allison's Sons' Sale, Washington, Ind.

This is the most important circuit of Shorthorn cattle sales in the entire year. Transportation from one sale to another is very convenient and the management of each sale will cooperate in the assembling of cattle for shipment at lowest cost.

**These Great Sires  
Are Responsible for the  
Top Quality of this  
Sale Offering—**

**Above—Browndale Cumberland 1883723 by Browndale Pilot, senior stock bull at Maxwalton Farms and the greatest sire in service in this herd since Avondale. An International junior champion himself, he is now siring calves that win top honors at this great show. Study the type of his calves as shown in the illustrations in this catalog.**

**Right—Browndale Conqueror 1912614 sired by Browndale Pilot and out of a Browndale Star dam, is being used with great success at Maxwalton and breeders should welcome this first opportunity to buy his calves. His dam is a member of the same Lovely tribe that produced Browndale Cumberland.**

## REMARKABLE UNIFORMITY OF TYPE

Those who attended the great International Live Stock Exposition last year will recall that the calves sired by Browndale Cumberland and Browndale Conqueror were the sensation of the entire show. Thousands viewed this Maxwalton display and exclaimed over the wonderful uniformity of true type and the perfect quality of these calves. The Shorthorn breed gained many new friends as a result of this exhibit and Maxwalton Farms added to the respect and prestige that has always been theirs.

Competing in the strongest classes of the show, these richly colored, furry coated youngsters won the following prizes: first prize junior bull calf, first prize pair calves, 2d prize junior heifer calf, 2d prize senior heifer calf, 2d prize get-of-sire and 2d prize bull and female. These calves, none of them crowded or over-fat, won top honors entirely on their perfect type, quality and character. The record of these calves and the quality and type of their get in this sale make it very apparent that Browndale Cumberland and Browndale Conqueror are the two greatest sires that have seen service at Maxwalton Farms since Avondale made his sensational record.

Approximately twenty of the animals in this sale were sired by these two famous bulls. The same description fits all of them because they are absolutely uniform in type. All of them excel in character of heads, substance, bone, style, levelness of lines, spread of rib, heart girth, depth of flanks, smoothness of tail settings, strength of quarters, depth of body and shortness of legs. The pictures in this catalog give a general idea of this remarkable uniformity and we invite you to judge the correctness of our assertion that these cattle, both bulls and females, are better than their pictures. Those who buy them will be taking advantage of the opportunity to secure absolute perfection of form,—and best of all, the ability to reproduce this form.

This is Maxwalton Alert, the son of Browndale Cumberland that has been retained for service in the Maxwalton Herd. After winning first prize in the strong junior calf class at the 1939 International Stock Show, we refused numerous offers to sell him at prices higher than any bull in this country has brought during recent years. A half dozen very beautiful heifers in this sale are safely settled to the service of this sensational young International blue ribbon winner.

## A SUGGESTION

The sale will be held at 10:00 A. M. on Tuesday, June 4th. The Maxwalton sale offering will be ready for public inspection on Sunday, June 2d in the International pavilion. We urge you to spend that day in a careful inspection of these cattle. As an aid to you in your study of the offering, we suggest that you check each animal for the following characteristics. All are vitally important if improvement is your aim and we feel certain that these Maxwalton bred Shorthorns will help you accomplish this aim:

- |                             |                           |
|-----------------------------|---------------------------|
| 1. General Quality          | 16. Width of Body         |
| 2. General Conformation     | 17. Depth of front flank  |
| 3. Style                    | 18. Depth of rear flank   |
| 4. Bone and substance       | 19. Spread of rib         |
| 5. Balance                  | 20. Covering over back    |
| 6. Depth of body            | 21. Covering over loin    |
| 7. Character                | 22. Smoothness over hooks |
| 8. Correctness of head      | 23. Width behind hooks    |
| 9. Muzzle                   | 24. Smoothness of rump    |
| 10. Neck and throat         | 25. Tail setting          |
| 11. Brisket                 | 26. Strength of quarters  |
| 12. Top Line                | 27. Depth of twist        |
| 13. Underline               | 28. Shortness of legs     |
| 14. Smoothness of shoulders | 29. Straightness of legs  |
| 15. Heart Girth             | 30. Correct leg placement |

*Maxwalton Nonsuch*

## MAXWALTON NONSUCH—

We are extremely proud of this young bull because he is the first of the calves by Brown-dale Conqueror and all of them to date are of this same pattern. Any beef breed would be glad to claim Maxwalton Nonsuch. We believe him to be the deepest, squarest, and most compact and shortest legged bull of his age in America. Look at him from any angle and the view will please. He has the head and neck of a real sire, his back is broad and level, he is remarkably smooth over the hooks and rump, has a marvelous heart girth and great width from shoulder to quarter. We wish to place particular emphasis on the quarter development of this bull. Never have we seen such depth of quarter and twist in a calf of this age. He is a beautiful dark roan and his dam is a dark red daughter of a dark red sire. He comes from a branch of the Victoria family that has produced many famous show and breeding animals. His dam is one of the best cows in the country—an ideal type of brood cow and she has just produced a perfect solid red bull calf from the same mating.

We reserve the right to show Maxwalton Nonsuch during 1940. He is as promising in every way as Maxwalton Alert, the bull that won first prize at the last International. We will have Maxwalton Nonsuch insured at the full purchase price and he will be delivered to his new owner immediately following the International.—And we are very confident that we can deliver a number of championship ribbons along with him.

*A better bull will not  
be sold this year—*

*\$1650 Glenn Vinson, Mansfield, O.*

*Maxwalton Advance*

*Here is one that is  
bred to reproduce  
his perfect form.*

## MAXWALTON ADVANCE—

Study the picture and decide for yourself whether you like him. Then study the pedigree and decide for yourself whether he is capable of reproducing his wonderful qualities. Like all of the calves by Browndale Cumberland, he is closely coupled, very compact, short legged and deep bodied with a spread of rib that is nothing short of marvelous. As the picture shows, he is remarkably strong in the quarters, has great depth of flank, a wonderful heart girth and a head denoting great character. He is a perfect red roan in color and his dam, a dark red daughter of Browndale Captain, is an ideal type of brood cow, combining exceptional beef form with the ability to give a heavy flow of milk. We have sold one heifer out of this cow for \$500.00 and all of her other calves have been retained in the herd. The dam of this bull was also the dam of the best summer-yearling show heifer we ever owned. She has been picked by many visitors at Maxwalton Farms as one of our best cows. We confidently believe that fame and fortune will come to the breeder who buys this great young bull.

\$505- R. Hollie Hanson, Cornersville, Ind.

*Maxwalton Escort 2d*

## MAXWALTON ESCORT 2d—

Here is one of the very best bulls ever produced at Maxwalton Farms. As the picture shows, he has a perfect top line and underline, is very deep of body and short of leg and no bull that will be offered this year will have a stronger head or a nicer pair of horns. It is impossible to portray in the picture, however, the remarkable spread of rib, smoothness of rump, depth of quarters and the broad heart girth. In short, this bull has what good judges would term "perfect balance." He is a real show bull and has the appearance of a real breeding bull. His dam is a beautiful red cow of the fashionable Victoria family. She is as nearly ideal in type as any cow on Maxwalton Farm and is one of the cows we never intend to part with. Her last calf sold as an open heifer to the Government of Venezuela in which country she has been used as a foundation female.

*He will win top honors  
in the show ring and  
will breed true to form.*

*\$690 Kalarama Farms, Springfield, Ky.*

*Maxwalton Triumph*

## MAXWALTON TRIUMPH—

All of the very desirable qualities that characterize the Browndale Cumberland calves are wrapped up in this bull,—blockiness, compactness, shortness of leg, depth of flank, width of ribs, etc. However, he excels particularly in the depth of covering over his loin and back and he has a head and horn that would be hard to improve. This bull reminds us very much of his sire at the same age and this is just the age at which Browndale Cumberland won his International junior championship. This bull is a perfect dark roan in color and his dam, a cow of excellent type, is an attractive roan. Through experience, we have learned to place a great deal of dependence on this strong branch of the Orange Blossom family. We thought enough of this bull to use him on a number of heifers that we are retaining in the herd.

*He looks just like  
his famous International  
champion sire.*

*\$400 Elliott Farms, Richmond, Ill.*

*Maxwalton Proud Emblem*

### MAXWALTON PROUD EMBLEM—

We want to exhibit this sensational dark roan calf at 1940 shows because we believe that any bull with such perfect type, balance and smoothness of flesh will win the highest possible honors. We agree to have him insured for the full purchase price and he will be delivered at the International. We never produced a smoother fleshed calf or one with more quality and character. He combines this remarkable smoothness with a blocky, deep, compact body and he stands on sturdy, short legs. He represents a blending of the blood of two famous International champions, Browndale Cumberland and Collynie Clipper Star. His dam is a dark roan cow of good type and with an excellent head. This bull is every bit as good as his picture and we do not hesitate to recommend him.

*The smoothest fleshed  
calf we ever bred—  
and one of the blockiest.*

*\$1,005 University of Illinois, Urbana, Ill.*

*Maxwalton Dominator*

### MAXWALTON DOMINATOR—

There are absolutely no holes in this squarely made, beautifully balanced calf. He is one of the blockiest and best of the lot, with smooth shoulders, remarkable width of upper rib and across the withers, a strong loin, very deep quarters and straight, short legs. This bull can show and win in the strongest competition. More than this, he can sire calves of top quality because his pedigree contains the names of bulls that have made breed history. This bull is a rich dark roan and his dam is a solid red daughter of Browndale Captain, the greatest breeding son of Browndale Count.

*A calf that can win  
in strongest company—*

senior yearling class  
this year—*

## MAXWALTON CONTROL—

This bull has everything that a critical buyer would demand. He is as smooth as a ribbon and no bull ever wore a stronger head. His head and masculinity and general make up is no accident. The family from which he comes is noted for producing animals of both sexes with ideal heads. His color is the same as that of the bulls that have done the most good in this country and Scotland. More than that, he comes from a family of females that for many generations have been reds or dark roans and he is sure to produce rich colored cattle. His dam a full sister to our former herd bull, Maxwalton Pure Gold, is a red roan cow that was in our show herd for two years. Maxwalton Control is her first calf and this year she has a solid red heifer. We can recommend this bull highly because he comes from our most dependable breeding family. A picture of Maxwalton Beauty and a part of her progeny appears elsewhere in this catalog. Be sure to look for it and be doubly sure to study this bull.

*Maxwalton Guardian*

*A grand combination  
of perfect color, type,  
quality and style—*

## MAXWALTON GUARDIAN—

Solid, dark red in color and a perfect block of a bull. Here is a bull that can be counted upon to correct such faults as long legs, shallow bodies, light quarters, rough tail settings and high flanks. He excels in each of these characteristics and his pedigree is proof enough that he can breed true to his type. His dam is a dark red cow that we believe will make history for the Shorthorn breed. Not only does she produce calves of the right type but her daughters in our herd are breeding cattle of the same type. We consider her and the bull calf at foot now the most valuable pair on the farm. Her daughter now has at foot what we believe to be the second best calf on the farm. We are retaining all of the females in this family except one that was sold to Oscar Nelson & Son at \$860.00. No one should be afraid to use this bull because he comes from most dependable ancestry.

*Maxwalton Onward*

*Like all the others—  
blocky, compact and  
short legged.*

### MAXWALTON ONWARD—

Here is another one of the calves by Brown-dale Conqueror and you can see from his picture that he has those things that good breeders admire. He is very squarely made, stands on straight, short legs, has remarkable depth and width, and is completely covered with thick, smooth flesh. His dam is a beautiful cow, dark roan in color, and she can always be depended upon to produce a good calf. Many visitors to the farm in recent years have picked this bull's dam as one of the best individuals in the herd. We have had more than one good judge say, "There is a cow that will produce a good herd bull," and this very prediction she has fulfilled in this calf we are offering. The pedigree of this calf is deserving of very critical study.

**Maxwalton Bachelor 2d**—is a dark roan calf out of one of the most beautifully bred Rosewood cows in the country. He is too young to sell to best advantage but we believe he will be a good buy for anyone. Study his pedigree closely.

[ 34 ] \$145- A. E. Hatt, Cleveland, O.

### ABOUT THE MAXWALTON FEMALES—

There are twenty-three females listed for sale in this auction and they are as much alike in type and quality as peas in a pod. Study their pedigrees,—such ancestry gives complete assurance of the ability to reproduce true to form. Study the type and conformation,—such animal form gives the opportunity to start at that point of Shorthorn cattle progress where leading breeders have arrived after years of effort. There are eight heifers in this sale by Browndale Cumberland and eight females of more uniformly high quality will not be sold this year. It may be too much to hope that one man might buy them all, but if any one man did buy them, he would have the foundation for a greater herd than now exists in this country.

*Maxwalton Jealousy 23d*

### MAXWALTON JEALOUSY 23d—

A senior yearling that will be hard to beat at 1940 shows. This beautiful dark roan heifer was in our get-of-sire group that won second prize at the 1939 International Live Stock Show and she is a member of the famous Maxwalton Jealousy family that has produced so many of our show ring winners. This heifer represents a perfect combination of style, character, depth, balance and smoothness. Her dam, a solid red, was a winner in our show herd for two seasons. We are proud indeed to present heifers of this type and quality.

*She will be hard to  
beat at 1940 shows—*

*\$ 900 Edellyn Farm, Wilson, Ill.*

*Maxwalton Augusta K 23d*

### MAXWALTON AUGUSTA K 23d—

In our opinion, this is the most promising prospect for a breeding female that we ever offered. She is beautifully balanced, has a wonderful covering of thick flesh and has about as breedy a head as we have ever seen on a Shorthorn heifer. She is a daughter of Browndale Cumberland out of a dam by Browndale Thistle and then follow in her pedigree such famous sires as Anoka Rodney, Gainford Champion and Cumberland. Her dam is a beautiful dark roan and her last calf, a red bull, was purchased by the Government of Venezuela. He is now in service at the experiment station in that country.

*The best prospect for  
a brood cow that  
we ever offered—*

*\$1,000 Carl Stander, Mansfield, O.*

*Maxwalton Augusta 65th*

### MAXWALTON AUGUSTA 65th—

This is a heifer that we should not sell because we have never been able to accumulate enough of these richly bred Augustas to suit our own needs. Study the picture of this heifer carefully and then compare it with her pedigree. You will immediately conclude that she is a beautiful heifer to own. She has a blocky, deep body, a sweet, feminine head, level lines and short legs. We are confident that she will be a top female in any herd into which she goes. She is a full sister to the show heifer that made so many friends wherever she was exhibited and that is now proving to be a most valuable brood cow.

*A top female in  
any herd—*

*Quality throughout and  
from a fashionable  
family—*

### **MAX ORANGE BLOSSOM 17th—**

This very breedy, sweet heifer is the last daughter of the grand champion Maxwalton Pure Gold. She is perfectly level in her lines, deep of body, beautifully balanced, short legged and her head is that of a real Short-horn brood cow. If you want a heifer that has quality throughout and a member of the most fashionable branch of the Orange Blossom family, buy this one. Her dam is a deep red daughter of Browndale Captain that is close to the ideal in type and conformation.

### **MAX ORANGE BLOSSOM B 3d—**

Here is a summer yearling heifer that can show and win in the hottest company during 1940. As her picture shows she has a beautiful head, a perfectly balanced body and she excels in all of those things that cannot be displayed in a picture. We are proud to offer this beautiful dark roan daughter of Brown-dale Cumberland and we shall follow her career with interest.

*A winning summer  
yearling for 1940 shows*

*Another very  
promising show  
heifer—*

### LAVENDER OF MAXWALTON 54th—

Here is another very promising summer yearling for 1940 shows. This flashy roan daughter of the International champion Browndale Cumberland is very smooth in her fleshing and has the quality and type that will make her a winner. Her dam is a red daughter of Master Rodney that has been an exceptionally good producer of females. We have sold a number of her daughters and they have all proved to be great breeding animals.

**Lot 19**

*\$500 Glenn Vinson*

*Victoria Maxwalton W 4th*

### VICTORIA MAXWALTON W 4th—

This heifer is better than her picture because a light roan spot along her back makes her look low in the loin. Prospective buyers need have no fear however, because she is very blocky, level in her lines and well covered. She is a daughter of Browndale Cumberland out of a solid red dam by Browndale Captain. Her half sister sold for export to South America last year.

*Very blocky, level  
and well covered—*

*Rosebud 30th*

### ROSEBUD 30th—

A wonderfully blocky, compact, short legged heifer of real show ring type. She is remarkably smooth in her fleshing and shows great character in her head. If you are interested in buying some imported blood here is an opportunity because she represents the strongest blood of Scottish herds on both sides of her pedigree. This beautiful dark red heifer is in calf since Jan. 10th to Maxwalton Control, the great white bull in this sale.

*Show ring form  
backed by imported  
blood—*

Maxwalton Victoria 7th—is a heifer of very good quality and she is most certainly richly bred. This heifer and Victoria Maxwalton W 4th, also in the sale, are out of full sisters that were sired by Browndale Captain. If you want a good combination of quality, character and strong pedigree, here is a good one to buy.

*\$455 Miles - of - View Farm, Kenneth, Kans. [ 55 ]*

*Victoria Rose Maxwalton*

### **VICTORIA ROSE MAXWALTON—**

This heifer is perhaps the blockiest individual in our sale offering. She is a marvel for depth of body, shortness of leg and width of ribs. Her dam was a show heifer that won first or second prize at all of the Canadian shows and she was the top open heifer in the Deacon-Russell-Gardhouse Sale. This heifer is the first calf and her dam now has at foot a red roan heifer calf.

*A marvel for depth  
and blockiness—*

		Duke of Edinburgh 130843	J. Bruce

**Sni-A-Bar Vulcan**, sire, Baronet 1726749 by Collynie Rosario 1726752, out of Blythesome 57th 1726756. Dam, Edellyn Rosewood 5th 1430261 by Wimple King 1214056, out of Rosewood Beauty 5th 1219195.

**Kalarama Clarion**, sire, Anoka Rodney 1190082 by Ballylin Rodney 945251, out of Wini-fred 19th 971611. Dam, Clipper Crystal 7th 1357343 by Supreme Commander 861061, out of Clipper Crystal 6th 995050.

**Anoka Landseer**, sire, Maxwalton Raglan 1051476 by Rodney 753273, out of Royal Countess 2d 710627. Dam, Eliza Emmeline 678516 by Evening Star 678508, out of Elsa Emmeline 678517.

Rosewood 112th is a solid red heifer of very good quality and exceptionally smooth flesh. You will like her head. All of the members of this strong branch of the Rosewood family have proved exceptional breeding animals.

**Maxwalton Justright**, sire, Browndale Golden Victor 1557656 by Browndale Count 1156438, out of Clansman's Clara 72d 1404326. Dam, Augusta Cestria 7th 1587748 by Browndale Goldspur 1464101, out of Augusta Cestria 1114896.

**Proud Archer**, sire, Browndale Archer 1406824 by Browndale Count 1156438, out of Poplar Camelia 952145. Dam, Divide Maid 4th 1419895 by Richland Conqueror 1050333, out of Divide Maid 504774.

**Scottish Gloster**, sire, Scottish Sultan 1025095 by Beaver Creek Sultan 352456, out of Norwood Marigold 2d 38089. Dam, Lady Gloster 1025099 by Marshal's Crown 678827, out of Village D of Gloster 528933.

Maxwalton Nonpareil 2d is an attractive, blocky, short legged heifer. She has a sweet, feminine head and the appearance of a real breeding female. Her full sister, solid red in color, topped the sale last year, selling to Miles-of-View Farm, and we believe this heifer is fully as good. She is in calf since December 29th to Maxwalton Alert, our famous junior herd sire that won first prize in the strongest class at the 1939 International. It is interesting to note that the dam of this heifer is almost a full sister to the dam of the twice International grand champion, Divide Sensation.

**Maxwalton Royal Crown 2d**, sire, Browndale Vanguard 1693228 by Browndale Goldspur 1464101, out of Jealous Lady 3d 1560380. Dam, Clarinda 24th 1566578 by Collynie Augustus 1337222, out of Clarinda 22d 1339100.

**Browndale Captain**, sire, Browndale Count 1156438 by Browndale Sultan 334947, out of Morning Blossom 2d 1023473. Dam, Collynie Flora 1337233 by Collynie Prince Lavender 1003666, out of Cluny Flora 128th 1259356.

**Maxwalton Clansman 2d**, sire, Rodney 753273 by Sanquhar Dreadnought 680399, out of Rosetta 7th 753278. Dam, Maxwalton Clipper 11th 201399 by Maxwalton Renown 367543, out of Clarinda V64-665.

Maxwalton Gloster 2d is a solid red heifer, well balanced, straight lined, of the right type and with real breed character. Those who are students of pedigrees will recognize that this particular branch of the Duchess of Gloster family is perhaps the finest that can be obtained. Here is a mighty good prospect for a brood cow and we recommend her highly.

[ 62 ] \$400 J. D. Allen, Libertyville, Ill.

**Maxwalton blue  
ribbon winners  
at the 1939  
International Show—**

Above—Maxwalton Alert and Maxwalton Beauty 9th, both sired by Browndale Cumberland. Together they won first prize in the class for pair of calves at the 1939 International Stock Show. Singly they won first prize in the junior bull calf class and second prize in the senior heifer calf class. Note the perfect heads and superior type.

Left—Maxwalton Beauty 9th, termed by many as the most perfectly formed individual in the 1939 International show. This daughter of Browndale Cumberland won second prize in the strong senior calf class. She is typical of the calves by this famous sire.

We are presenting this group picture to show the production of one cow in our herd. The cow Maxwalton Beauty, was bred by us. She was sired by Browndale Golden Victor, calved on May 16, 1931. She was bred to Browndale Vanguard, he being the sire of all three of the calves shown in this picture. The bull Maxwalton Pure Gold was calved in July 1933; the next calf, Maxwalton Beauty 4th, was calved in July 1934; her third calf, Maxwalton Beauty 5th, was calved in August 1935. Since the above picture was taken Maxwalton Beauty has produced three heifer calves, all retained in the herd except the last calf which will be offered in this sale. Every calf that she has produced has been a member of our show herd. Her oldest daughter, shown in the above picture, is the dam of Maxwalton Control, Lot 7 in this sale. Her fourth calf, which was dropped after this picture was taken, produced for her first calf the red roan heifer that was in the first prize pair of calves at the last International.

Maxwalton Justright, sire, Browndale Golden Victor 1557656 by Browndale Count 1156438, out of Clansman's Clara 72d 1404326. Dam, Augusta Cestria 7th 1587748 by Browndale Goldspur 1464101, out of Augusta Cestria 1114896.

Browndale Golden Victor, sire, Browndale Count 1156438 by Browndale Sultan 334947, out of Morning Blossom 2d 1023473. Dam, Clansman's Clara 72d 1404326 by Maxwalton Clansman 2d 1159489, out of Clara 70th 471882.

Collynie Golden Sun, sire, Clipper Star (124786) by Collynie Cruickshank 613049, out of Clipper Princess V58-432E. Dam, Gainford Hilda V60-811E by Proud Broadhooks (109762), out of Hilda V59-730E.

Maxwalton Missie C 4th—might be called one of the plainer heifers in this sale, but she would still be a top in many auctions. Her dam is a dark roan and was the dam of Maxwalton Hero, the bull that was used so successfully in the Irvine Hill Herd. We particularly call your attention to this strong Edgcote Missie pedigree. This heifer is in calf since December 27th to the sensational young International first prize winner, Maxwalton Alert by Browndale Cumberland.

*\$185- Thos. Hecker, Newark, Ill.*

*Augusta of Headquarters 2d*

### AUGUSTA OF HEADQUARTERS 2d—

Is a solid dark red heifer that will be a top animal in any herd. She is perfectly smooth and full of quality. Her head is that of a real breeding female and her body is compact, deep and well balanced. We do not like to sell her because she is one of the first heifers that carries the service of the great young International first prize winner Maxwalton Alert. She was bred to Maxwalton Alert on December 17th. What a calf should result from this mating!

*A great heifer bred  
to Maxwalton Alert—*
